Report: Bylaws were reviewed and updated. No substantive changes, however, we added clarifying language. There are 2 versions, one shows all the changes the other “clean” is how they will read if approved. Please contact any one of the committee members, Mary, Jennifer, Mary Sue or Niki if you have questions. Please contact ASAP. Our goal is to approve the bylaws in the consent agenda. If there are concerns/questions in advance, we will move the by-laws to the regular agenda for discussion.	All
