

Recruitment Committee Report  
5/9/19

The committee met on Friday May 3, 2019.

There was a review of the recently developed outline of the recruitment process, which is attached. Also there are a number of documents that go along with the recruitment process that are attached.

We reviewed the status on some possible candidates.

Today I received information that supports Matt Gerard starting his application process later this month (5/20/19).
